2026 Divine Mercy Scholarship Recipients

For seven consecutive years, Ave Maria University's alumni community has demonstrated a profound commitment to supporting current students through the Divine Mercy Scholarship. This year, we are proud to celebrate five rising seniors who have been awarded $1,000 each to help ease the financial burden of completing their undergraduate education. These recipients—Jose Jacquet, Ceselie Mudron, Jesse Rodgers, Catherine Glen, and Maeve O'Brien—represent the bright future of our University and our Church. Born from a deep desire to make a tangible difference in students' lives, this scholarship embodies the spirit of mercy and generosity that defines our AMU community.

The Divine Mercy Scholarship would not be possible without the ongoing generosity of alumni donors who have embraced the opportunity to give back to their alma mater. By contributing to the Annunciation Circle, donors directly support these scholarships and help raise up the next generation of AMU leaders. As our student body continues to grow and financial needs evolve, we hope to expand this opportunity to benefit even more students in the years ahead.

We extend our heartfelt gratitude to all who have supported the Divine Mercy Scholarship in past years and those who continue to give today. Your generous gifts have a direct and lasting impact on our students, easing their financial burden and allowing them to focus fully on their formation and education. Thank you for embodying the spirit of Ave Maria University and for your unwavering commitment to our students' success.
