Event Retrospective: Alumni Music Bingo at Oil Well

Event Recap

October 22, 2026

Oil Well Craft Beer was the place to be on Monday evening as Ave Maria University alumni and local residents gathered for an unforgettable night of Music Bingo. The atmosphere was electric as participants tested their knowledge of songs across genres and decades, creating an evening filled with laughter, friendly competition, and community spirit. The packed house was a wonderful testament to the vibrant alumni network that continues to thrive in our community and the genuine connections that endure long after graduation.

We are deeply grateful to Cassandra Bournos for organizing and hosting this delightful event. Her thoughtfulness in bringing the alumni community together for an evening of fun reflects the generous spirit that defines Ave Maria University. Events like these strengthen the bonds between classmates and create new memories that will be cherished for years to come. Congratulations to Sebastian Neiwald, whose winning card earned him a well-deserved free drink as a prize!

The Oil Well has once again demonstrated its commitment to supporting our university community through hosting engaging and memorable events. We extend our heartfelt thanks to the entire team at Oil Well for their hospitality, generosity, and dedication to making Ave Maria alumni feel welcome. Your continued support of our community does not go unnoticed, and we look forward to many more wonderful gatherings together. Until the next event, we celebrate this special evening and the wonderful people who made it possible.
